6<sup>th</sup> June 2017

Dear HR,

I hold a degree in Electronics and Communication Engineering from Usha Mittal Institute of Technology , SNDT University.

I will be there in Dubai from 18th June- 23rd June 2017, so i will be able to come give a personal interview too.

I am placed in Accenture,Infosys and Ericsson but as i will be shifting to Dubai, i am hunting for a job .

I have had some experience in Management as I was the Membership Chairperson for ACM SNDT UMIT Chapter, under the international council ACM, for the academic year 2015-2017.

I am a fresher, but with just a few months of training I can guarantee you that i will handle any job efficiently.

I look forward to speaking with you regarding my application.

Sincerely,  
Trishla Jain
